Smart Lock Cover for The new iPad

Protective back cover that locks the Apple Smart Cover

This back cover made of impact resistant hard plastic provides slim protection to your iPad and is made to work with Apple Smart Cover. When using it with it with the Smart Cover it will then lock the Smart Cover, keeping it from detaching.

You can also use the case separate as a protective back cover. Because of its transparent design the case enhances the iPad rather than cover it up.

Art.No.: D30517
Weight: 0.085kg / 0lbs, 3ounces

- **Back cover made of impact resistant hard plastic .**
